PLEASE READ CAREFULLY!

In consideration of my being permitted to take part in a sponsored work party event, I (hereinafter including myself, my heirs, executors and administrators), waive any and all claims against Evergreen Mountain Bike Alliance, its directors, officers, employees, volunteers, members, sponsors, and agents (hereinafter referred to collectively as Evergreen) arising out of my participation in such events. I understand that accidents occasionally occur during work parties and that, as a participant in such events, I might sustain property damage, personal injury and/or death. I freely agree to assume such risks and hold harmless Evergreen, which through its participation, negligence or carelessness, might otherwise be liable to me for damages.

I further understand that event leaders are not professional trail builders and are acting only in the capacity of coordinating work parties for the voluntary participation of the participants. Even though safety and other suggestions may be made from time to time during the course of a club event, the ultimate decision of how and when and whether to proceed is up to me and I am under no obligation to follow instructions from anyone if I feel it is unsafe to do so. Trail work parties may be dangerous and no representation is made that any Evergreen event is in any way certified as safe.

I have read and agree with all of the above statements:
