

Evergreen Mountain Bike Alliance Trail Builder II Job Description

Evergreen Mission:

Evergreen is a 501(c)(3) nonprofit organization that creates and protects sustainable mountain biking opportunities in Washington.

Summary of Position:

Evergreen East is looking to fulfill the role of a Trail Builder II in the Spokane region. The Trail Builder's II primary function is to work with Evergreen staff, land managers, and volunteers to maintain and build new trail construction at Mount Spokane State Park. This position requires strong trail building, communication, the ability to work independently with minimal oversight and get it done attitude. This position is available immediately and goes until about the end of October, depending on weather and project budget. A passion for mountain biking and the outdoors is a must. Work will occur on weekdays and weekends. To learn more please see the job description attached below.

Reports To: Project Site Crew Chief or Project Manager.

Responsibilities:

- Work with Evergreen staff and land managers to complete trail construction and maintenance activities, and to establish work party schedule, logistics, plans and objectives.
- Coordinate with other Evergreen staff and volunteers to secure volunteer participation.
- Assist crew leads in safely motivating volunteers of diverse ages and backgrounds.
- Ensure work is performed according to objectives and standards.
- Manage equipment, tools, refreshments, sign-in sheets, waivers and logistics for work parties.
- Represent Evergreen & the sport of mountain biking in a positive, professional manner.

Qualifications:

- Strong trail building skills and keen understanding of sustainable trail building techniques and USFS Standards.
- Ability to effectively lead a crew to complete a trail work project.
- Excellent interpersonal skills; friendly, outgoing, motivating, and professional.
- Ability to work with minimal oversight.
- A high level of strength is not necessary, but endurance and fitness are critical.
- Tolerance for discomfort. Work happens even in cold and wet weather and the ability to maintain team spirit in those conditions is important.
- Proficiency with Google Email and Excel. GPS/GIS Mapping software experience a plus.
- Valid driver's license, clean driving record and reliable personal vehicle.
- Excavator and chainsaw operation experience and skills a plus.

Classification: Non-exempt. Hourly.

Benefits: Personal Time Off.

Hours: Flexible. Max: 40 hrs/week. Weekend work required.

Compensation: TBD.
