Welcome to Duthie! A King County Park built by the Evergreen Mountain Bike Alliance. You'll find a 6 mile network of Cross Country (XC) trails (blue & green) and >2 miles of FR (Freeride) trails (shown in red). At Duthie, XC generally means tires stay on the ground and FR means you're going to go airborne. Take it slow and "ALWAYS CHECK OUT EVERY FEATURE BEFORE YOU RIDE IT". You are responsible for your own safety. Have fun! More info at http://evergreenmtb.org/duthie
